[student visas](#) are also issued by the Spanish government for visitors from Mexico.

It is possible for Mexican citizens to [apply for Spanish visas at any of the 24 Spanish consular service locations](#). This will grant the holder a visit of up to 90 days for touristic or business purposes.

However, the end of **2022 will see the introduction of the brand new ETIAS visa waiver** and Mexican visitors will be required to hold one to enter Spain. This will require the submission of the applicant's **full name, address, date of birth and passport details** and will be obtainable quickly and easily online.

The new ETIAS will greatly simplify and speed up the process of being able to pass through Schengen borders into Spain. This **visa waiver will be valid for 3 years**, allowing multiple entries of up to 90 cumulative days over a 180 day period.
